Small Normal Large **Cambria bold** tiny and a huge word followed by ordinary text that keeps going so that the line must wrap at least a couple of times *italic Cambria* and a closing phrase in thirteen point.

A second paragraph where only a few characters are large:

XL then small again, with enough words after it to need another line or two of wrapping.

The quick survey of a quiet harbour town begins at dawn, when the fishing boats drift back past the lighthouse and the m
